This is the lowest price we've seen for an S, beating last year's best black Friday offering. The Dyson V10 Animal Pro Wire Stick Vacuum, \$400 (actually \$600) [\$200 to save you] this is our favorite unrwire vacuum. It is light and very powerful for an unrwire device. iRobot Ruboa 960, \$400 (actually \$650) [You save \$250] This is our favorite robot vacuum under \$600. It has stronger sux than most Robowax and learns your floorplan so it can clean everyone more effectively. It's very easy to set up that we were running in just 10 minutes. Kataqinid KV25GOXI Professional Stand Mixer, \$230 (originally \$500) [You save \$270] We highly recommend this kataqinid mixer, which offer 10 speeds and comes with a polished stainless steel bowl. Instant pot duo Nova 6-Quart, \$59.99 (actually \$99.99) [\$40] saving you is our favorite on the Multacoctar market immediately. The \$35 we saw last year is the best black Friday cases we saw. The problem is some of the more high tech fitness tools on the G3PRO Massage Gun, \$399 (actually \$599) [\$200 to save you] the best buy market, including its famous massage gun.
